Take Away Menu

Teppanyaki dining is a Japanese tradition where specially trained chefs prepare the meal right at your table on a large grill. In Japanese, teppan means an iron plate or steel sheet, and yaki means stir-frying.

Teppanyaki dining provides a unique experience where diners watch the chef demonstrate his skills while preparing food to their specifications.

Meals are enjoyed leisurely as the chef prepares each course while entertaining. Light seasoning and the fresh ingredients are the keys to teppanyaki success. Diners have only to sit back, enjoy the entertainment, and savour the delicious flavours of teppanyaki cuisine.
